The flexibility of The Karger Collection Program makes it truly unique. The eBook Collection Program can be purchased as a complete collection as well as a customized collection, composed of individual book titles chosen by the buyer. In addition, it can be supplemented by further eBook and/or eJournal Collections. Even German language titles are available as add-ons. As an alternative to the existing offerings an evidence-based acquisition option (EBA) is now available for the eBook Collection Program.

Individual online titles are also available at prices on request. Combine book titles, individual eBooks and/or eJournals, and compose your own collection.

Your Benefits:

- DRM-free content
- Guaranteed access for five years; perpetual access available
- Easy access via IP address or User ID and password
- Unlimited simultaneous access
- COUNTER-compliant statistics on request
- MARC 21 and KBART records available
